

2015 All-LP3 Team

Sep 14, 2015

The All-LP3 team is Yahoo's top players at each position for the 2015 season.

Pos	Bopper	Yahoo rank	Team
C	Buster Posey (sfo)	37	Vatican City Poap
1B	Goldy (ari)	6	CRYOGENIC TED
2B	Dee Gordon (mia)	25	Giant Squid
3B	Josh Donaldson (tor)	2	KGG
SS	Manny Machado (bal)	23	RBI All Day
OF	Bryce! (was)	5	Naperville Weener
OF	Y Cespedes (nym)	8	Giant Squid
OF	AJ Pollock (ari)	9	Vatican City Poap
DH	Nellie Cruz (sea)	10	Winterfell Beardmen
Pos	Pitcher	Yahoo rank	Team
SP	Zack Greinke (lad)	1	Winterfell Beardmen
SP	J Arrieta (cub)	3	Bay City Brawler
RP	J Familia (nym)	45	CRYOGENIC TED
RP	Wade Davis (kc)	49	<i>Free Agent</i>
P	C Kershaw (lad)	4	Plainfield Shutout

If you go back to the All-Star team from 2 months ago, a surprising number of these names are the same. I think the two biggest movers in the second half were Cespedes and Jake Arrieta.

Yes, Wade Davis currently resides on the scrap heap. This is more a statement about Yahoo's crappy ranking system than anything else.

Here are some bopper honorable mentions:

- #11 – Lorenzo Cain (kc), CRYO TED
- #13 – N Arenado (col), Prague
- #14 – Ry Braun (mil), Winterfell
- #17 – Mike Trout (laa), RBI
- #19 – Joey Votto (cin), Poap
- #21 – Chris Davis (bal), Killer Maltese

- #22 – Joey Bats (tor), Vatican City Poap

And some pitchin:

- #7 – Dallas Keuchel (hou), Vatican City Poap

- #16 – J deGrom (nym), KGG

Go...

2015 LetsPlay3 MVP

Zack Greinke (lad)

Winterfell Beardmen

MVP Zack was drafted by Vatican City in round 5. On June 14, Zack was traded to Winterfell for Josh Harrison and Jonathon Papelbon. On the same day, the Poap unloaded All-LP3 outfielder Y Cespedes to The Squid for Carlos Martinez and Wilmer Flores. Cespedes was an 8th round pick for the Poap. So, do the math... the Poap drafted 4 of our 14 All-LP3 players, by far, best in the league.

lets play 3... yow, bill
