Notes

In each category, season best marks are in **hot red**... season worst are **cold blue**

Except for EPA and Whip, I exclude Week 1 results from the season high/low marks

Except for ERA and whip, I exclude week1 results from the season high/low marks...
the results are exaggerated because Week 1 was 10-11 days long.
Week1 results are included in the average, median, and std dev calculations... though
you can certainly argue that they shouldn't be.
thanks... yow, bill
