#### Notes

In each cat, best marks are in hot red and worst are cold blue

Week #1 has extra games because of the start of the season.  
 I exclude Week #1 from the season high/low marks because its weird, 11 days long.  
 Week #1 results are, however, included in the average calculations... though you can certainly argue that they shouldn't be. (shrug)

Same goes for Week #15, the long All-Star week which is 10 days long.  
 thanks... yow, bill
