

Yo yo yo...Premium Owners,

Lyric OTD

Cause I'm the taxman
Yeah, I'm the taxman
And you're working for no one but me

This week in LP3 (Twilp3)

All rejoice. Aux stats are UP. (Week 1 and 2)
williamt.com/fantasy/baseball/season2024/regular_season.htm

Team OTW - The **CRYO TED** is your best team in Week 2. The Frozen Head beat the **Lollygaggers** 9-0.
The Week 1 TOTW, **Breaking Beard**, was #1 in both hitting and pitching. Rare!
And in Week 2, CRYO TED is #2 in both hitting and pitching. Still, pretty rare.

Best player performances (by "Last 7 Days" Yahoo rank) in Week 2:

- Top hitter - Colton Cowser (bal), Lollygagger, Yahoo #1
- Top SP - J Berrios (tor), Breaking Beard, #3
- Top RP - Mason Miller (oak), **DG Purple Square**, #21
- Top free agent hitter - Blake Perkins (mil), #5
- Top free agent pitcher - José Buttó (nym), #24

A note to the rook Lollygaggers, who's off to a rough 1-18-1 start...

Despair not - It's just some tough luck for you to face the Team OTW in your first two games. (pew)

But despair - The rankings in the aux stats have the Lollygaggers ranked last with an average cat rank of 13 out of 16. (argh)

Blather

Wonderful snippet - In between innings, **Aa Judge (nyy)** plays catch with a kid in the bleachers. (smile)

I've read too many pansy-ass, fake news, "Sell high on **Trout**" articles. (clear throat, patooey)
MLB uncovers the awesome truth of the matter. 2024 is the Year of the Trout.

The certain Hall of Famer hitting like a GOAT again

Arthur C Clarke is sci-fi royalty. His most famous work is 2001: A Space Odyssey.

Maybe you've read the book or, more likely, seen the movie. It's directed by Stanley Kubrick and is 5 bill-stars. Outstanding and unique!

My favorite ACC book, however, is **Childhood's End**. It's one of my all-time favorite sci-fi books. So, hop on it. (ha)

QOTD

The world's now placid, featureless, and culturally dead: nothing really new has been created since the Overlords came. The reason's obvious. There's nothing left to struggle for, and there are too many distractions and entertainments. Do you realize that every day something like five hundred hours of radio and TV pour out over the various channels? ...Did you know that the average viewing time per person is now three hours a day? Soon people won't be living their own lives any more. It will be a full-time job keeping up with the various family serials on TV!

Week 3 Game OTW: Easy. It's the Hatfields and the McCoys, **DG Purple Square @ KGG 2024**. Yowsa!
thanks...yow, bill
