

Hey Premium owners,

## QOTD

You got me feeling hella good  
So let's just keep on dancing  
Hella Good by No Doubt, [www.youtube.com/watch?v=QtTj4cramPM](https://www.youtube.com/watch?v=QtTj4cramPM)

I'm no No Doubt fan, but that's a catchy pop tune. That song is almost 30 years old. Woah.  
And that's a fun video. It doesn't take much: "OK, here's your jet ski and your bikini...now hop around a bit."

## This Week in LP3

Aux stats are UP, [williamt.com/fantasy/baseball/season2024/regular\\_season.htm](http://williamt.com/fantasy/baseball/season2024/regular_season.htm)

Team OTW - A recurring theme: The best bopping team was **Breaking Beard**. The best pitching was, surprisingly, from the **DG Purple Squares**.

Overall, the best team in Week 3 was **KGG 2024** with strong performances in both hitting and pitching.  
In their 236th meeting all-time, DG and KGG fought to a "kiss your sister" 5-5 tie.

Players OTW:

- Top bopper - T d'Arnaud (atl) of **Ronsby** (picked up after all the dinger fireworks though)
- Best SP - Z Eflin (tam) of the **CRYO TED**
- Best RP - K Yates (tex) who is **KGG**
- Best free agent bopper - W Abreu (bos)
- Best free agent pitcher - Mitchell Parker (was), huh?!?

Buffalo Chatbot check: OK. (*I'm supposed to check Buffalo each week for injuries, shrug*)

## Blather

Three weeks into the season...

Aux stats say: The top 3 teams are: 1. Vat City (4.1 ave cat rank), 2) Breaking Beard and CRYO TED (4.7, tie).  
The Pope currently stands atop the powerful Mild division. The team is #1 in pitching and #2 in hitting.

Hit me (reply-all) with **something surprising** about your team or the standings or whatever.  
I gotta run. (ha)

Week 4 Game of the Week: **#5 Bay City @ #4 Southern**  
thanks...yow, bill

PS - Must admit...not a bony blonde fan...unless she's Dolly Parton's goddaughter. (smirk)
