Lyric OTD

Now I've had the time of my life
No I never felt this way before
And I swear; it's the truth
And I owe it all to you

- I've Had the Time of My Life, Bill Medley and Jennifer Warnes, www.youtube.com/watch?v=4BQLE_RrTSU

This song is the theme from Dirty Dancing and is some classic **positivity** from the 1980's. Nifty video too. (nifty?!?)

Great singer name btw, **Bill Medley**. (ha)

Example: Tell us something about your team.

It's been a rough ride for the the **Purple Squares** so far this season. Don't cry for the DG Death Star just yet. It's early. But there are two things I *really* like about my team:

- I type "**purple**" in my browser and it takes me right to the DG Yahoo team page.
- It feels like DG is headed toward one of two extreme outcomes this season. Either the DG draft was an utter disaster, or there's going to be some fantasy justice dispensed in the near future. I look forward to league-wide despair if DG can turn things around. (he he)

Week 6 Game of the Week: **#3 Bay City Brawler @ #6 Killer Maltese**

These two teams are rockin' and rollin' in 2024. Cha!

thanks...yow, bill

Thank you for all of your
support and encouragement.

The surgery on my knee went well and
I'm now focused on a speedy recovery.

Looking forward to getting back out there
as soon as possible.
