

Hey LP3+ owners,

All the aux stats. All the time.

williamt.com/fantasy/baseball/season2024/regular_season.htm

The **Heatmap** is back! It shows each team's stats over just the last 4 weeks.

Go check it out at the aux stats above.

Red stats mean **red hot** Top 3 performance. Blue stats mean **ice cold** Bottom 3 production.

It's nice to see how your team is doing RIGHT NOW...rather than in April and May.

My Name Is, **Eminem**, www.youtube.com/watch?v=sNPnbl1arSE

Speaking of Eminem, pretty cool 30 bonus seconds...

Dr Dre talking about his first few minutes in the studio with Eminem: "Like yo. Stop. Shit's hot." (snort)

Worthy 20 seconds. Verlander is a **Purple Square**.

Here, he's flirting with the future Mrs Verlander and vice versa. It's good to be a ballplayer. (ha, smile)

When Justin Verlander gave a ball to his future wife, Kate Upton ❤️
